EMERGENCY MANAGEMENT:

SITUATION REPORT #149

- The Walla Walla County Emergency Operations Center (EOC) has downgraded to Level 2, Limited Operations, effective 05/28/2020 as of 0800.
- As of 03/24/2020 Walla Walla County Emergency Management continues to work remotely in order to limit exposure that might affect 911 and dispatch personnel who share the facility.
- The Walla Walla County Commissioners signed a Declaration of Emergency, effective 3/13/20 at 2 PM.
- The City of Walla Walla signed a Declaration of Emergency, effective 3/17/20, extended on 4/8/20.
- The City of College Place signed a Declaration of Emergency, effective 3/17/20, extended 6/9/20.
- The City of Waitsburg signed a Declaration of Emergency, effective 3/18/20.
- The Port of Walla Walla signed a Declaration of Emergency, effective 3/19/20, extended 5/28/20.
- The City of Prescott signed a Declaration of Emergency Effective 3/19/20.
- Walla Walla County remains in modified operations/access during regular business to certain county departments.
- Remains in a Unified Command with Walla Walla County Department of Community Health. Unified Command was established 3/13/20 at 2 PM.
- Washington State Emergency Management is now requesting that all Tier 1 priorities be consolidated into a single order. Long Term Care facilities are now considered to be part of the Tier 1 priority, with further changes expected. Tier 2-4 priorities will be consolidated in a 2nd request. Next request period will be for the week beginning 02/15/21
- PPE tier allocation is changed beginning June 5, 2020, to allow Tier 1 requestors to build on hand supplies to levels sufficient for 14-21 days.

1. Outstanding Resource Requests

WA State Tracking Number	Request Date	Agency	Current Status
No Current Outstanding Requests			

February 23, 2021

2. Effective Strategies and Successes

- Businesses have benefited from funding that has been distributed.
- Providence St. Mary Medical Center (PSMMC) stated that previous experience gained in working with Walla Walla County Department of Community Health (DCH) and other partners on Flu vaccinations have had a significant positive impact on the current vaccine administration.
- Equity Task Force rollout has been successful.
- The partnership between all the Walla Walla County response agencies has worked well.
- Community engagement to support vaccination clinics; 800+ volunteers registered in the Washington State Emergency Worker Program.
- Mass immunization COVID-19 Vaccination Clinics.

Figures from [DOH Dashboard](#) (does not include yesterday's vaccination clinic)

SITUATION REPORT #149

Vaccine Doses Given	People Initiating Vaccination	People Fully Vaccinated
14,031	10,405	5,155

- Improvements made to traffic flow logistics have helped to prevent traffic from backing up on Orchard/9th. This traffic back up has been a law enforcement concern.

3. Risks and challenges

- **COVID-19 Cases**
 - Total Confirmed Cases: 4705
 - ❖ Recovered: 4547
 - ❖ Active: 108
 - 108 in-home isolation & hospitalization data not available at time of report
 - 3 hospitalized; 0 in county 3 out of county
 - ❖ Deaths: 50 (state is reporting 57, 7 cases to reconcile)
 - Washington State Penitentiary (WSP) – included in numbers above:
 - ❖ 0 incarcerated active
 - ❖ 5 staff active
 - DOH negatives: 54,819
- Concern for rapid spread at congregated facilities.
- ‘COVID fatigue’ is very high with additional challenges presented by winter: more time inside, less daylight and sunshine, etc. Need to focus on community resilience.
- People moving indoors due to cold; more close contacts.
- People are still reporting to work with mild symptoms, or with symptomatic family members.
- Gatherings continue despite recommendations by DCH not to gather.
- Case investigation has been hampered by contacts not being cooperative with contact tracing team, some not answering phone calls from DCH.
- Concerns about effects of COVID vaccine.
- Contact tracing is seeing increased numbers of people refusing to speak with the tracers or provide information about exposure.
- Needle and nitrile glove shortage continues to be an issue across the state.
- Coordinated communication of mass vaccination planning effort to the public.
- Continued concerns about weather, potential river basin flooding due to snowpack melting.
- VA Medical Center (VAMC) had to cancel Saturday’s vaccination clinic due to snow; has also experienced delay in getting vaccine allocation.
- Unclaimed spots in Monday’s vaccination clinic; lessening of demand. VAMC has vaccinated 2,071 at their Walla Walla location, about 90% of them are 65+ which covers some of our 1B1 population. There remain individuals who are declining to get the vaccine.
- State PPE delivery arrived yesterday with no notice.
- Concerns that there needs to be prioritization of teachers receiving vaccine especially with schools returning to in-person learning. Teachers are Phase 1B2 and State DOH has said that we cannot proceed to vaccinating 1B2.
- Concerns about vaccine availability; delays across the country due to weather.

SITUATION REPORT #149

- Business and community concerns about advancing to Phase 3, which has not yet been defined. Frustration with not knowing what the criteria are to move to the next phase.

4. Future operational plans (24, 48, and 72 hours out)

- Walla Walla County Emergency Management (WWEM) is activated at **Level 2 – Limited Operations** (virtual, with no face-to-face contact).
- WWEM acting as liaison to Washington National Guard (WNG).
- WWEM continued collection of donations.
- Coordination and communication with Unified Area Command State Emergency Operations Center (UAC SEOC). Unified Command SEOC conference call on Thursdays.
- Monitor WebEOC Resource Tracker for delivery of supplies from Washington State to Walla Walla County.
- WWEM submission of new resource requests on WebEOC.
- WWEM distribution of resources.
- WWEM will continue to manage immunization clinic volunteers under the Washington State Emergency Worker Program.
- Walla Walla University Center for Humanitarian Engagement will assist PSMCMC with vaccination clinic volunteer scheduling using the newly launched Walla Walla Volunteer Corps [website](#).
- Bi-weekly ESF6 Human Services weekly conference calls.
- DCH weekend staffing.
- PSMCMC maintaining daily sit reports.
- EMS providers tracking PPE use with CDC PPE Burn Rate Calculator.
- Continue work with the media.
- DCH case investigation/contact tracing of positive cases.
- Local Reopening Business Workgroup & Business/Economy meeting every Thursday.
- DCH and PSMCMC are continuing to work with Washington State Department of Corrections for cases at Washington State Penitentiary.
- LTC facilities continue to test based on CMS requirements to test if positivity rate is over 5%. Currently testing twice weekly. DCH working with LTC facilities to provide test kits and swabs.
- PSMCMC Urgent Care drive through testing operating with extended hours, 7AM – 6 PM.
- DCH messaging emphasizing the importance of social distancing, masking, limiting gatherings. Messaging around safety of COVID19 vaccine, encouraging residents to participate in getting their COVID immunizations.
- REDi Healthcare Coalition:
 - Eastern Washington situational awareness meetings every Tuesday from 3-3:45. Feedback from meeting is then provided to DOH.
 - Situational awareness response surveys Tuesdays/Friday 8 – 11 am. (Healthcare/providers). Information from surveys is communicated with DOH.
 - Bi-weekly (change from weekly) workgroup meeting Thursday's 3 – 4 PM.
- City of College Place meeting every Wednesday with Mayor and managers for the South/Central region.
- VAMC planning to vaccinate 350/day.
- COVID vaccination clinics on 2/24, 2/27 and 3/4.
- DCH has requested 3K doses for next week.
- DCH received shipment of antigen rapid test; available for any agency that needs to do screening.

SITUATION REPORT #149

- State looking at what Phase 3 looks like.
